HOMAGE	<i>v</i>
ACKNOWLEDGMENT	<i>vii</i>
PREFACE	<i>ix</i>

<b>CHAPTER 1</b> <b>THE RESEARCH PROCESS</b>	1 – 14
---	--------

Domains of Research  
Elements of the Theoretical Domain  
Characteristics of the Research Process  
Classification of Research  
Uses/Purposes of Research  
Research Dissemination

<b>CHAPTER 2</b> <b>THE RESEARCH PROBLEM</b>	15 – 28
---	---------

Elements of Research Problem  
The Research Title  
Developing Introduction  
The Literature Review  
The Hypothesis  
The Variable  
Formulation of Research  
Samples of Evaluation Forms

<b>CHAPTER 3</b> <b>REVIEW OF LITERATURE</b>	29 – 36
---	---------

Importance of the Literature Review  
How to Organize the Literature  
Major Useful Databases for Educational Research  
Example of Thematic Structure

**CHAPTER 4**  
**RESEARCH DESIGN**

37 – 42

Three Major Groups of Designs  
Historical Design  
Descriptive Design  
Experimental Design

**CHAPTER 5**  
**THE SAMPLING PROCESS**

43 – 62

Sampling Techniques  
Ways to Determine the Sample Size  
Collection of Data  
Sources of Data  
Tools or Techniques Used in the Collection of Data  
Types of Observation  
Type of Interview According to Style  
Types of Questionnaire  
Data Analysis  
Measures of Central Tendency  
Parametric Test  
Non-Parametric Tests

**WALKTHROUGH**  
**HOW TO CITE AND REFERENCE IN MS WORD**

63 – 68

**WALKTHROUGH**  
**HOW TO FORMAT THE ORAL ABSTRACT PRESENTATION**

69 – 76

**RESEARCH PROPOSAL  
DRAFT TEMPLATE**

77 - 86

Mechanics of Research Poster Presentation  
Mechanics of Research Oral Contest  
Criteria for Assessing Written Research Papers  
Criteria for Assessing Oral Research Presentation

**APPENDIX**

87 - 100

Appendix A: Grading Sheet for Oral Presentation  
Appendix B: Grading Sheet for Proster Presentation  
Evaluation Criteria  
Proposal Defense  
Final Defense
