CHAPTER

1

Understanding Learners with Emotional and Behavioral Disabilities

1

LESSON 1

Review of Special Needs Education

1

- A. Special Needs Education: Definition 2
- B. Dimensions of Special Needs Education 3
- C. Components of Special Needs Education 4
- D. Strengths-Based Approach 6

LESSON 2

Definition and Categories

8

- A. Definition of Emotional and Behavioral Disorder 9
- B. Prevalence 9
- C. Causes of Emotional and Behavioral Disabilities 10
- D. Types of Emotional and Behavioral Disorders 11

LESSON 3

Screening

24

- A. Screening Process 24
- B. Screening Tools and Instruments 25

LESSON 4

Clinical Assessment

30

- A. Clinical Assessment 31
- B. Process of Clinical Evaluation 31
- C. Clinical Assessment Tools 34

LESSON 5**Learning Characteristics 38**

- A. Strengths and Abilities 39
- B. Characteristics, Learning Difficulties,
and Post-educational Outcomes 40

CHAPTER 2**Teaching Learners with Emotional
and Behavioral Disabilities 43****LESSON 1****Educational Assessment 43**

- A. Educational Assessment 46
- B. Educational Assessment Process 47
- C. Educational Assessment Approach, Methods, and Tools 49

LESSON 2**Curricular Priorities 65**

- A. Curricular Priorities 66
- B. Individualized Educational Plan (IEP) 67

LESSON 3**Educational Placement, Accommodations, and Modifications 70**

- A. Educational Placement 71
- B. Accommodations 73
- C. Modifications 75

LESSON 4**Teaching Strategies 79**

- A. Three-Tiered Model of Prevention 80
- B. Classroom Instruction and Management 81
- C. Inquiry-Based Learning (IBL) and Project-Based Learning (PBL) 82
- D. Universal Design for Learning 82
- E. Direct Instruction and Strategy Instruction 87
- F. Self-Monitoring Skills 87
- G. Social Skills Instruction 89
- H. Peer-Mediated Instruction 90

I. Cognitive Behavior Therapy	90
J. Behavior Intervention Plans	91

LESSON 5

Home Support 101

A. Through the Eyes of Parents of Children with EBD	102
B. Benefits and Challenges of Parent Involvement	103
C. Recommended Practices	104
D. Parents Capacity-Building	105

CHAPTER

3

Understanding Learners with Language and Communication Disabilities 109

LESSON 1

Definition of Language and Communication 109

A. Language	110
B. Communication	112
C. Speech	114
D. Typical Speech Development	115
E. Typical and Red Flags in Language Development	117

LESSON 2

Categories of Language and Communication Disabilities 125

A. Language Disorder	127
B. Speech Sound Disorder	128
C. Childhood-Onset Fluency Disorder (Stuttering)	128
D. Social (Pragmatic) Communication Disorder	128
E. Causes of Language and Communication Disorders	129
F. Prevalence of Language Disorders	129

LESSON 3

Screening of Learners with Language and Communication Disabilities 132

A. Screening Process	133
B. Screening Methods, Questionnaires, and Checklists	134
1. Parent Interviews and Questionnaires	134
2. Observation and Analysis of Language Samples	135

3. Screening for Speech and Language Delays and Difficulties	135
4. Screening for Speech Sound Disorder	138
C. Formal Screening Instruments	144
D. Case Analysis: Screening Process	147
E. Differentiating Monolingual from Bilingual and Multilingual Learners	150

LESSON 4

Clinical Assessment of Learners with Language and Communication Disabilities 154

A. Clinical Assessment	156
B. Process of Clinical Assessment	156
1. Background Information and History	156
2. Physical Examination	158
3. Administer Standardized Speech-Language Assessments	158
4. Use Informal and Authentic Assessments	159
5. Data Analysis, Interpretation, Reporting, and Feedback	159
C. Clinical Assessment Tools	159

LESSON 5

Learning Characteristics 163

A. Characteristics and Learning Difficulties	164
B. Strengths and Abilities	168
C. Post-educational Outcomes	169

CHAPTER 4

Teaching Learners with Language and Communication Disabilities 171

LESSON 1

Educational Assessment 171

A. Assessment Purpose	173
B. Assessment Principles	174
C. Assessment Process	174
D. Informal Assessment Methods and Tools	176
1. Observation in Naturalistic Settings and Play-Based Assessment	176

2. Gathering Elicited Speech-Language Samples	177
3. Assessment of Social Communication (Pragmatics)	181
4. Curriculum-Based Assessment	183
E. Case Analysis: Educational Assessment	187

LESSON 2

Curricular Priorities and Curriculum Programming 193

A. Curricular Priorities	195
1. Oral or Verbal Language	195
2. Phonology	198
3. Syntax and Grammar	199
4. Morphology and Vocabulary Development	200
5. Listening and Reading Comprehension	201
6. Written Composition	203
7. Social Communication or Pragmatics	204
B. IEP Components and Process	204
C. Case Analysis: Making an IEP	205

LESSON 3

Educational Placement, Accommodations, and Modifications 212

A. Continuum of Educational Placements	213
B. Accommodations	215
C. Case Analysis: Placement and Accommodations	219
D. Curricular Modifications	220

LESSON 4

Teaching Strategies and Intervention 224

A. Oral Language	225
B. Writing Compositions	228
C. Phonology, Word Reading, and Spelling	230
D. Syntax and Grammar	233
E. Vocabulary and Morphology	234
F. Comprehension	236
G. Fluency (Stuttering)	239
H. Social Communication/Pragmatics	239
I. Alternative and Augmentative Communication	242

LESSON 5

Home Support 248

- A. Develop Awareness of the Language Disability 249
- B. Build Language Skills 249
- C. Use Techniques to Support Language and Communication 250
- D. Advocate and Collaborate 251

Glossary 253
